

● Current challenges in Pediatric Ophthalmology Practice

Poster Presentation (P)

Authors whose abstracts have been accepted as **Poster Presentations** are invited to present their work during the Poster Exhibition at the **51st Annual Meeting of the European Paediatric Ophthalmological Society (EPOS 2026)**.

POSTER FORMAT

- Posters must be prepared in English
- Poster orientation: **Portrait**
- Poster size: **A0 — 841 × 1189 mm (84.1 × 118.9 cm)**
- Posters must include the abstract title, authors, and affiliations
- Use clear, legible fonts such as Arial, Verdana, Helvetica, Times New Roman, or Calibri
- Recommended font sizes:
 - Headings: **72–158 pt**
 - Section titles: **46–56 pt**
 - Main text: **24–36 pt**
- Maintain consistent formatting throughout the poster and avoid excessive use of capital letters, italics, and underlining
- Use sufficient spacing and avoid overcrowding the poster. A line spacing of approximately **1.2–2.0** is recommended
- Please ensure that all text and figures are large enough to be read from a distance of approximately 1–2 metres
- **Posters must be printed by the authors before arriving at the congress venue. The organisers do not provide poster printing services**
- A poster template will be available for download from the congress website
- Authors who would like **additional guidance** may consult the following website, which provides free A0 poster templates and practical design advice:
<https://www.posterpresentations.com/free-poster-templates.html>

Poster boards and mounting materials will be provided by the organisers.

Poster Display Schedule

The Poster Exhibition will be organised into four poster display groups. Posters assigned to **Groups A and B** will be displayed throughout **Friday, 25 September 2026**, while posters assigned to **Groups C and D** will be displayed throughout **Saturday, 26 September 2026**, in the designated poster area. On each day, the moderated poster sessions will take place during the two scheduled coffee breaks.

● Current challenges in Pediatric Ophthalmology Practice

Each accepted poster will be assigned to one moderated poster session only. Your assigned group and moderated poster session will be indicated in the Scientific Programme.

Poster Delivery

Authors are kindly requested to deliver their printed posters to the **Poster Desk** according to their assigned display group:

- **Groups A and B (Friday display):**
Posters should be delivered either on **Thursday, 24 September, between 14:00 and 18:00**, or on **Friday, 25 September, between 07:30 and 08:30**.
- **Groups C and D (Saturday display):**
Posters should be delivered on **Friday, 25 September, between 10:10 and 19:00**.

Poster Display and Moderated Sessions

Printed posters assigned to **Groups A and B** will remain displayed on the designated poster boards in the Poster Hall throughout **Friday, 25 September 2026**.

The moderated poster sessions will take place as follows:

- **Group A – Retinal Diseases and Retinopathy of Prematurity**
Moderated Poster Session: **10:15–10:45**
- **Group B – Anterior Segment Diseases**
Moderated Poster Session: **16:20–16:50**

Printed posters assigned to **Groups C and D** will remain displayed on the designated poster boards in the Poster Hall throughout **Saturday, 26 September 2026**.

The moderated poster sessions will take place as follows:

- **Group C – Neuro-Ophthalmology and Ophthalmic Genetics**
Moderated Poster Session: **10:50–11:20**
- **Group D – Miscellaneous**
Moderated Poster Session: **15:40–16:10**

Authors are expected to be present at their poster during their assigned moderated poster session, as indicated in the schedule above. The session times will also be included in the Scientific Programme.

● Current challenges in Pediatric Ophthalmology Practice

Poster Removal

Posters must be removed at the end of the day on which they are displayed.

- Posters assigned to Groups A and B must be removed on Friday evening, between 17:00 – 19:00.
- Posters assigned to Groups C and D must be removed on Saturday evening, after the conclusion of the scientific programme.

Any posters that are not collected by the announced deadline may be discarded by the organisers.

General Recommendations

- The presenting author **must be registered** for the congress.
- Authors are responsible for the accuracy of the content presented.
- Please ensure that all necessary permissions have been obtained for any copyrighted material included in your poster.

We look forward to welcoming you to **EPOS 2026 in Bucharest** and thank you for your valuable scientific contribution.
